

SPONSORSHIP PROSPECTUS

LEANCONSTRUCTION+ AI

VIRTUAL SUMMIT

A one-day virtual summit on what AI actually changed on real construction projects — presented by the teams who ran them, alongside the owners and contractors who used the results.

WEDNESDAY, NOVEMBER 18, 2026

9:00 AM — 4:20 PM ET

THE OPPORTUNITY

Who is in the room

The summit is built for practitioners: the owners who commission the work, the general contractors and specialty trades who build it, and the designers and academics shaping how it gets done. Admission is free for project owners, university faculty and students, so the people who set direction and the people entering the industry are both in the audience — not just the teams already buying software.

PACKAGES

Two ways to sponsor

Both tiers put your name in front of the full audience for the whole day. The difference is whether you want a room of your own to have the product conversation in.

SPONSORSHIP

\$1,500

Visibility across the event, the marketing around it, and the recording afterwards.

- Logo placement throughout the event hub
- Logo in conference marketing
- Recognition from the host during the day
- Attribution in the on-demand release
- Attendee list after the event

MOST VISIBILITY

SPONSORSHIP + VIRTUAL BOOTH

\$2,500

Everything in the sponsorship tier, plus a staffed booth in the expo area for the full event day.

- Everything in the sponsorship tier
- Staffed virtual booth in the Zoom Events expo area, open the full event day
- Run live demos for attendees who walk in
- Talk pricing and answer product questions directly
- Attendee list after the event
